

Getting to Know PETL

Workshop 1 Worksheet 1

Go on a scavenger hunt and see if you can find the answers to the following questions. Where applicable, we've included the URL or search terms to use that you might find helpful in finding the information.

Learn about the Province's Department of Labour

To answer the questions below, start exploring here:

https://www2.gnb.ca/content/gnb/en/departments/post-secondary_education_training_and_labour.html

What are the major activities that PETL offers residents of New Brunswick?

What services does WorkingNB provide for their two types of clients?

PETL oversees and enforces [different laws in the province](#). What are three of these PETL laws/acts that are interesting to you?

-
-
-

Good to Know!

The laws that PETL upholds are most related to employment, apprentice programs, and even workers compensation! If it is about employment and training, PETL's got it covered!

In the [2022-2023 Annual Report's](#) Minister's message, what are three accomplishments the department can take pride in? (Hint: Annual Reports can be found under the "publications" tab.)

-

LMI and Me

What skills do you have that you're proud of? Where have you seen skills listed so far?

Reflection

What stood out to me?

What do I wish I saw more of? Less of?

What did I find that was interesting, and could be part of making New Brunswick the best place for youth to choose to build their career?
