

My Solution's Plan

Workshop 3 Worksheet 4

WRITING STEPS EXAMPLE

<p>Step One: Learn more about petitions in New Brunswick. Talk to a lawyer, or an adult mentor on how we can do this well.</p>		<p>Who is doing the work?</p>
<p>Who is doing the work?</p>		<p>Step Two: Find a petition template/format that is approved by the government.</p>
<p>Step Three: Organize a week long campaign where we gather student signatures at lunch, or after school at the community centre.</p>		<p>Who is doing the work?</p>
<p>Who is doing the work?</p>		<p>Step Four: Accept and track all the signatures and contact information for the campaign neatly.</p>
<p>Step Five Write a formal letter to accompany the petition. Include any research done that would support the petition.</p>		<p>Who is doing the work?</p>
<p>Who is doing the work?</p>		<p>Step Six Put our petition and letter together.</p>
<p>Step Seven Submit our petition to the local city councillor.</p>		<p>Who is doing the work?</p>
<p>Who is doing the work?</p>		<p>Step Eight: Presentation! Develop and deliver a presentation to my class on why a petition was the best first step to making a bigger impact.</p>

My Solution's Plan

Map out the steps you need to take, and the people you may need to talk to, in order to implement your challenge's solution.
