

# Workshop 2

## Guiding Questions

### Slide 5

1. How do you think New Brunswick's current job market aligns with the career goals of high school graduates?
2. Can you identify any specific industries or sectors in New Brunswick that are thriving and may be attractive to young professionals?
3. What factors do you think contribute to young talent leaving New Brunswick for opportunities in other provinces or countries?
4. How might the availability of cultural and recreational activities impact the decision of young individuals to stay in or leave New Brunswick?
5. Do you think there are any misconceptions about the job opportunities in New Brunswick that may influence young people's decisions to stay or leave?
6. What initiatives or policies do you think the government could implement to encourage young talent to build their careers in New Brunswick?

### Slide 12

1. Why would we consider the reliability, relevancy, or the timeliness of information we are reading?
2. What shows us that a piece of LMI is reliable? Relevant? Recent?

### Slide 16

1. What stood out to you?
2. What do you wish existed that would better support your, or your classmate's career goals?
3. Can you see an opportunity for John at PETL, a community or sector organization, or yourselves to solve the challenge?
